CEO's Message - We Appreciate You!

It was a busy summer at your Credit Union. One of our biggest projects was the conversion to our new core processor in July. I want to thank all members for your support and patience as we made the transition to the new system. This new platform will allow us to grow and offer better and enhanced services for you and future generations of members.

One new feature is our new Mobile App that will launch soon. Keep a watch out for more details. I am confident you will love the features of the new App that will be available in the App Store for iPhone and Google Play for Android.

We have also been working on connecting with members through social media, so be sure to like our Facebook page. In addition, we have started the process for a new web site. We are always working hard to find ways to make your Credit Union experience better than ever.

As we move into a new season, I want to remind you all how much we appreciate and are thankful for you. Fall is one of my favorite times of the year and as you prepare for the holidays ahead, I hope you and your family have a wonderful Thanksgiving and Christmas.

It is an honor to serve as your CEO. - Bob Clark
