## New Online Banking Security Feature

The protection of your information is very important to us. We are pleased to announce an added login security feature that helps guard your online information by adding another layer of identity verification to online financial interactions.

### How does the new security feature work?

When logging into online banking on your computer, you will receive a message (text or voice) on your phone with a 6-digit code. You will be asked to enter this code to complete the login on your computer. This feature takes the place of answering security questions when logging into online banking. This feature is also available in the mobile app.

### What do I need to do?

Please update your phone numbers in your profile or contact us and provide your phone number. You can call us or email us directly at: (270) 926-0210 or email us at [owensboro@greenriverafcu.com](mailto:owensboro@greenriverafcu.com)

**Important! You will not be able to access online banking if we do not have your updated contact information.**

## CEO's Message

Spring is finally here! I'm looking forward to getting outdoors and enjoying some fresh air. What a delight it is to have longer days and more sunlight. Just getting outside in the sunshine can make such a difference on our attitudes and health.

As you get outdoors and enjoy spring you might start to notice some home improvement needs. Whether your deck needs some updates or you're looking ahead to summer entertaining with a new pool, GRAFCU can help you get the money you need for spring home improvements.

No matter what your needs are, be sure to check with GRAFCU first for financing. We work hard to offer you low rates and affordable payments!

Finally, be sure to take advantage of our Student Loans if you have a child going off to college this fall. We know the rising cost of education can be tough on your budget. That's why we're excited to offer Student Loans.

Make sure to like us on Facebook and stay in touch. We look forward to serving you, your family and our community this spring!
